**PROMOTION OF SCIENCE EDUCATION (POSE) SCHOLARSHIP SCHEME OF
SCIENCE & TECNOLOGY DEPARTMENT, HARYANA**

A) Introduction

In order to attract the students in pure/basic science courses at Under Graduate and Post Graduate level and to continue their study upto research level, a new scheme is proposed for students of B.Sc. Honours (Three years course) and M.Sc. (Two years course) by providing scholarship to the meritorious students. The students who have been ranked in the top positions as per the criteria of this scheme will be given the scholarship. During this year the scholarship may be provided to the M.Sc. (Previous) students only. The details of the scheme are as under:-

- **For B.Sc. (Honours) students:** Scholarships will be provided to the students during three years of B.Sc.(Honours) Courses in basic sciences like Physics, Chemistry, Mathematics, Botany, Zoology and Geology from the colleges / universities located within Haryana. At present the universities of Haryana are not running the Honours courses, therefore, the scholarship will be provided to the students of B.Sc. (Honours classes) as and when B.Sc. (Honours) courses are initiated by the Universities of Haryana.
- **For M.Sc. students:** Scholarships will be provided to the students during two years of MSc. Courses in basic sciences like Physics, Chemistry, Mathematics, Botany, Zoology and Geology from the colleges / universities located within Haryana. During this year (2009-10) the scholarship may be provided to the M.Sc. (Previous) students only. From next year, the scholarship of these students will be renewed during the M.Sc. (Final), subject to the maintenance of the conditions of this scheme. Further, the scholarship will be provided to the new students of M.Sc. (Previous) as per the criteria of this scheme.

B) Rates of Scholarship

- The amount of scholarship for the students studying in B.Sc. (Honours) classes will be Rs 4000/- per month plus stipend of Rs. 4000 once in a year.
- The amount of scholarship for the students studying in M.Sc. classes will be Rs. 6000/- per month plus stipend of Rs. 5000/- once in a year.

C)**Terms & Conditions**

- This scholarship will be given to the students studying science in under graduate / post graduate classes in recognized Colleges / Universities located within Haryana.
- The institution / college from where the previous examination has been passed for award of scholarship should be situated in Haryana.
- Compartment students will not be considered for this scholarship in future.
- Only those students would be eligible who have obtained minimum 60% marks at the previous class. Further, the students have to maintain at least 60% marks and 75% attendance throughout for continuation of this scholarship. The principal of the concerned institute should have to furnish a certificate regarding the attendance of the student concerned, for the year in which the scholarship is to be released.
- The students should not be involved in any type of indiscipline or unfair means.
- Only regular students will be eligible for this scholarship. The students studying privately or through correspondence / distance mode or in unrecognized institutions will not be eligible for this scholarship.
- The student getting scholarship under this scheme can also avail the benefits of any other scholarships / fee concessions given by the institution.
- There is no income limit for these scholarships.
- Photocopies of all the certificates from 10th onwards duly attested by the institute presently studying in will have to be attached with the application.
- While finalizing the merit list, if two or more students acquire same marks / rank in the merit list as per the selection criteria of this scheme, then all such students will be awarded the scholarship.

D)**Mode of Payment**

- The scholarship will be paid to the students for all the twelve months in a year starting from the month in which the admission is obtained. It will be from July to June.
- The scholarship will be released to the students in two half yearly installments in the months of September / October and March / April.
- All the students who will be selected for the award of scholarship will have to open their accounts in the nationalized banks having Electronic Transfer / ECS facility and send the information through their head of the institution to the S & T

Department. The amount of scholarship will be transferred to the accounts of the students through electronic transfer.

- The payment of scholarship will be made through Demand Draft in favour of student only in exceptional circumstances where no ECS facility branch of the nationalized banks is available in the vicinity where the student is studying.
- The amount of scholarship will be released only after obtaining the attendance certificate from the principal / head of the institution where the student is studying.

E) Selection Criteria

An advertisement in the leading newspapers will be published for inviting the applications for the award of scholarship immediately after the starting of admissions in the Under Graduate / Post Graduate classes. All the universities of Haryana will also be contacted for supplying the details of the top meritorious students of particular class after declaration of the result. Thereafter, the applications received in the prescribed format from the students through their principal / head of the institutions and the lists supplied by the respective universities will be scrutinized and a final list of the selected students for award of scholarships will be prepared and a sanction in this regard will be issued by the State Government for payment of scholarship to the eligible students. The selection criterion for the preparation of final list of students for the award of scholarships is proposed as under:-
